

## Lake Tahoe Ski Tour

This is a great way to spend your day off! Come explore the Tahoe region, and let us show you our favorite ski touring spots. There will be plenty of instruction, tailored to your needs, and there will also be lots of skiing. If you are unsure where to go or what to do after taking an intro course, and feel comfortable with basic ski touring techniques- this is the day for you! Let our AMGA and IFMGA certified mountain guides show you a good time on the wonderful terrain of Tahoe.

We will pick the exact location the week of the tour, based off of current conditions and needs of the group.

**Difficulty:**

Intermediate to advanced skiing skills required.

**Price:**

\$199 per skier.

**Location:**

Prior to departure each group will meet for a quick meeting at the Alpenglow office.
